RENEWED PETITION PURSUANT TO 37 C.F.R.(b)

UNITED STATES PATENT AND TRADEMARK OFFICE

Name of Inventor : William Delaplaine Green
Name of Invention : Two-Cycle Internal Combustion Engine
Name of Attorney : Paul Shanowski
Application No. : 10/637,841
Filing Date : : 08/08/2003
Group Art Unit : 3783
Class/Subclass : 123/068

Commissioner for Patents:

Honorable Sir,

Renewed Petition pursuant to 37 C.F.R. 1.137(b)

Enclosed are two copies of a marked up copy of the Specification of the Application as requested by the Attorney Paul Shanowski of the USPTO in a letter from him mailed to me June 6, 2011 to fulfill the requirement of a Reply to the last Office Action sent to me by the USPTO to complete the Application for a Petition for Unintentional Abandonment of the Application.

Very Truly Yours,

William Delaplaine Green

Inventor of Record
